To: Valued Maurey Customer

Re: Price Adjustment – Effective April 5, 2021

Maurey Manufacturing continues to remain committed to investing in capital and processes to increase efficiencies and to reduce costs. On V-Belt Sheaves we have not increased pricing since September of 2018. Recent rises in transportation, material and labor costs make it necessary for us to increase prices. We will adjust pricing for orders placed for shipment on or after April 5, 2021 in the amounts shown below:

<u>Product Description</u>	<u>% of Increase</u>
Hi-Q Sheaves, Reducing Bushings & Vari-Pitch Sheaves	5.0 %
HQ Bushed Sheaves, HQ* Bushings & Weld-On Hubs	5.1 %
Ful-Grip(QD) and Split Barrel Sheaves	5.0 %
Ful-Grip(QD) and Split Barrel Bushings	5.0 %
Shaft Collars	4.1 %
Positive Drive Pulleys (XL, L, H, XH Pitch)	4.1 %
HPD Sprockets (8M, 14M)	4.0 %
Hi-Q Flexible Jaw Couplings	4.1 %
Fixed Bore & Rigid Bushed Sleeve Couplings	5.1 %
Hi-Flex Couplings – Flanges & Elements	3.9 %
Variable Speed Drives (6000 series sheaves, and Motor Base)	4.0%
Nu-T Link Belting	4.0 %
Continental Belts and Sprockets (Excluding Silent Synch & Falcon)	3.8 %
Continental Silent Synch & Falcon Sprockets and Belts	4.0 %

*Registered Trademarks of Maurey Manufacturing Corp

Unless noted, we will consider all quotations for items covered by this price adjustment to expire April 2, 2021. Please contact your District Manager to have these quotations updated. Enclosed you will find your new Distributor Discount Multiplier Sheets. Please contact your District Manager or the Holly Springs, MS office if you need additional copies.

Sincerely,

Charles A. Lloyd
Executive Vice President
