(Order Entry Instructions / My Account Information)

Welcome to Maurey Manufacturing Corporation's new business web site. Designed to make order entry easier than ever before with the ability to store your own Favorites list, multiple order line entry, and easier checkout.

Below, you find the basic order entry instructions for the new website. We will cover both how to access the site and how to use your "My Account" access to help you manage your orders.

ACCESSING THE WEBSITE & LOGGING IN:

Step 1. To access the new website, please point your browser at www.maurey.biz. Once the page loads you should select "Authorized distributors" – "Distributor Login" from the Toolbar Menu.

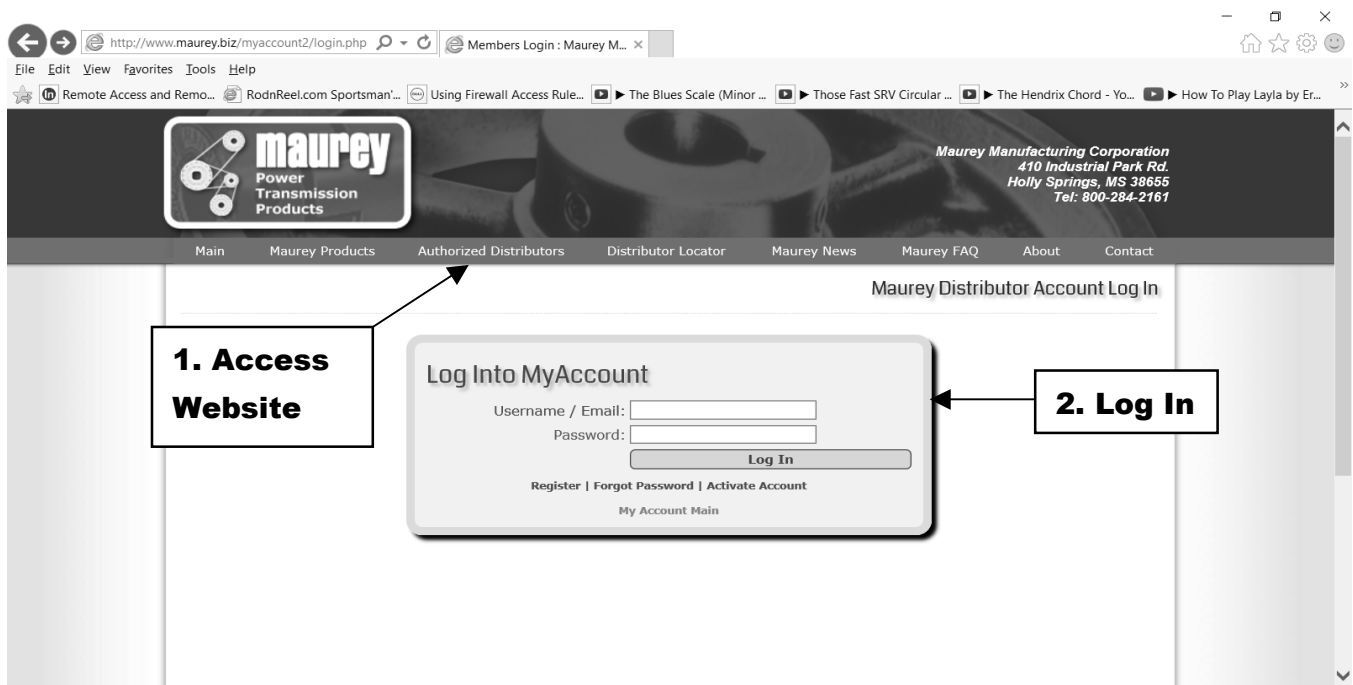

Figure 1

Step 2. Then enter your username and password (existing usernames and passwords are unchanged) – click "log in".

The Maurey Distributor Service Center Page will open as shown in Figure 2.

MAUREY DISTRIBUTOR SERVICE CENTER PAGE:

Order entry will be discussed in detail on the following step but we first wanted to introduce you to some areas on the distributor service center page

Figure 2

Item 1 - **"My Order History"** use to view your order details & tracking information if available. See your order history. View or print copies of your orders. Order tracking is not available at this time but will be coming soon. We will notify you when this option becomes available.

Item 2 - **"My Settings"** use to edit your Maurey Web Profile. Change your password. Update your company information.

Item 3 - **"Shopping Cart Help and More on Privacy"** use to review our Privacy Policy or if you need help using the cart.

Item 4 - **"Contact Us"** use if you need assistance with your order.

Step 1. Click on “Check Stock & Place Orders” to enter a new order.

The Maurey Transmission Products Distributor Catalog page will open as shown below in Figure 4.

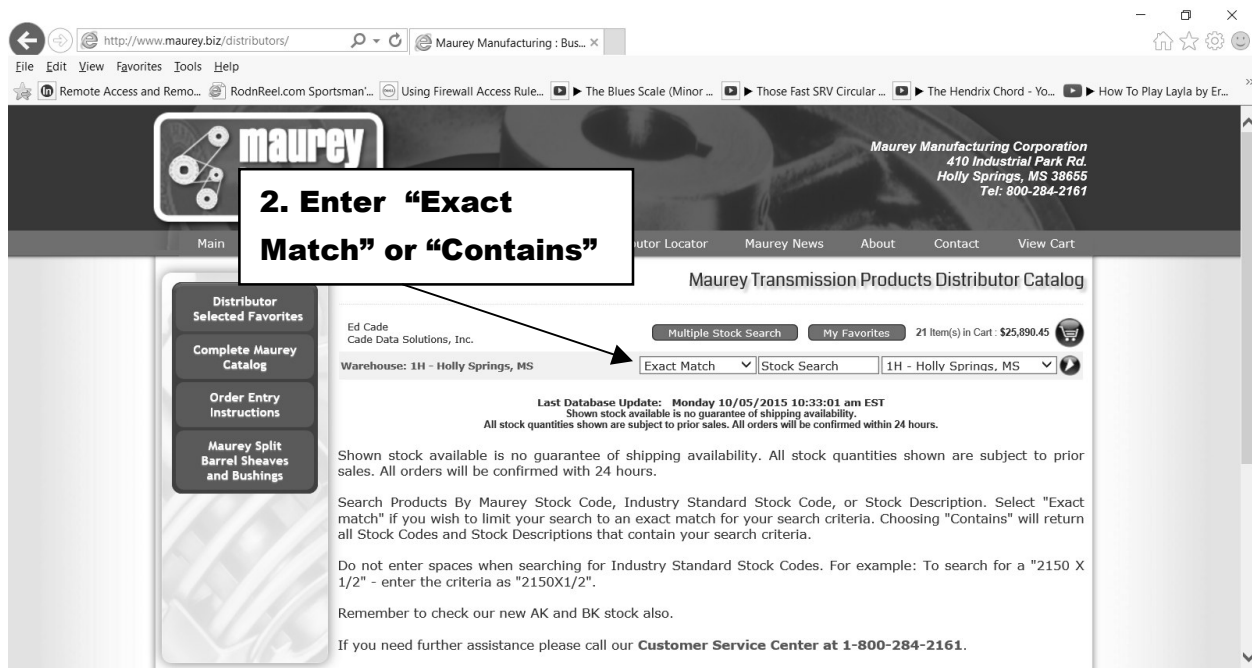

Figure 4

Step 2. You may search products by Maurey Stock Code, Industry Standard Stock Code, or Stock Description. Select the tab "Exact match" if you wish to limit your search to an exact match for your search criteria. Choosing "Contains" will return all Stock Codes and Stock Descriptions that contain your requested search criteria.

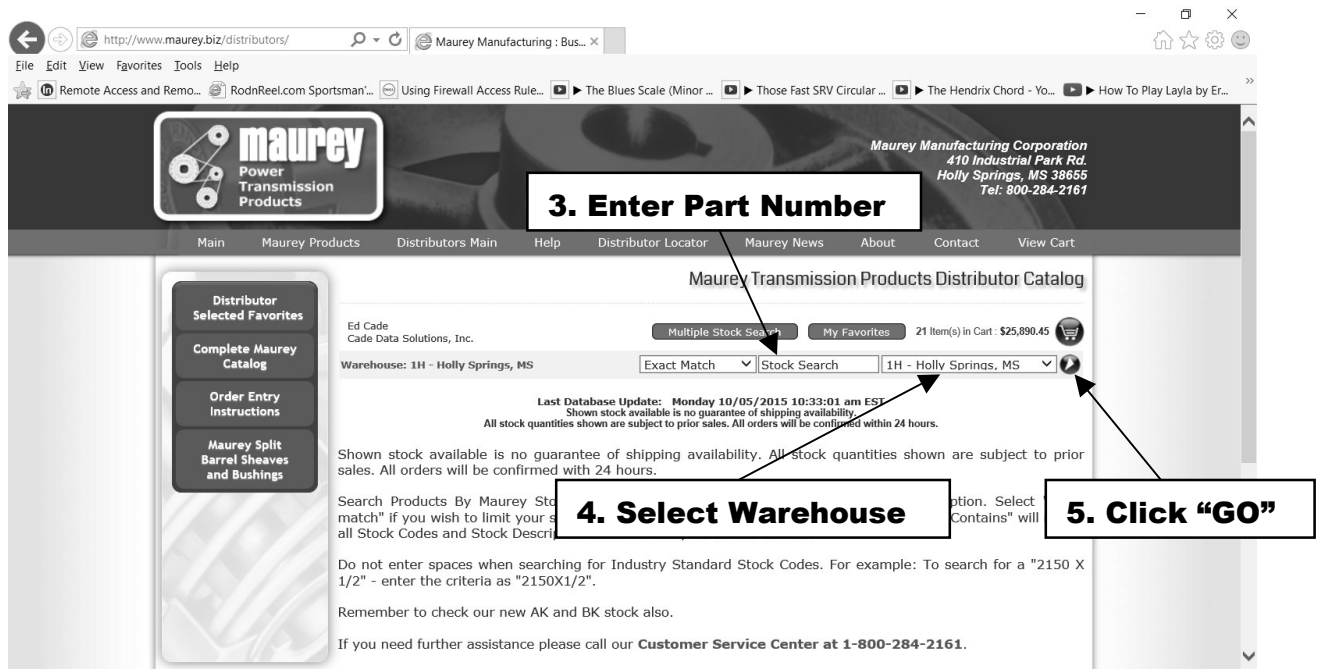

Figure 5

Step 3. Enter the item for which you would like to search. Do not enter spaces when searching for Industry Standard Stock Codes. For example: To search for a "2150 X 1/2" - enter the criteria as "2150X1/2".

Step 4. Enter the default Warehouse you would like to search. If no stock is available in that location you can check quantities in all locations after the initial search results are shown. This is discussed further later in this document.

Step 5. Clicking on the "GO" Icon. will perform the search you requested and show you the details. Please see Figure 6 on the next page for an example of this single Stock Code lookup.

EXAMPLE OF A STOCK LOOKUP PAGE:

The screenshot shows the Maurey Manufacturing website's stock lookup page. The header includes the Maurey logo and contact information. The navigation bar lists various site sections. The main content area shows search results for '215012BX' in the '1H - Holly Springs, MS' warehouse. The results table lists the Maurey Stock#, Industry Stock#, and Bulk Stock# for the part '2150 X 1/2 PULLEY'. The table also shows the inventory quantity (366), price (\$3.16), and weight (0.1). Callouts 1 through 7 highlight specific features: 1 points to the search results table, 2 points to the 'Inventory' column, 3 points to the 'Price' column, 4 points to the 'Qty' column, 5 points to the 'Add To Favorites' button, 6 points to the 'Check Other Locations' button, and 7 points to the 'Search All' button.

To order from this page you would simply:

1. Select the warehouse location. The matrix shows quantity available by warehouse location. A description at the top of the page shows where each warehouse is located along with its corresponding warehouse code. For example the warehouse code for “3P” is our Pennsylvania Warehouse.
2. Enter the quantity you wish to order.
3. Click “Add To Cart”
4. Complete Check Out Process

Note: Click the “Go Back” button if you wish to cancel this operation and return to your original search window.

Our goal is the make online ordering a easier process and help you manage and track your orders. You can now view your orders through your “My Account” portal and within the coming months we will be adding the ability to get your shipment tracking information. Please let us know if you have any problems using the new site or any suggestions on how to make our site even better.

Sincerely,

Maurey Manufacturing
